

PRESIDENT: Nope. Yes, that's right. We are still under a Call of the House. That is correct. The Call was not raised.

SENATOR LUEDTKE: That's right. We are still under a Call and I just wondered...we have many that have not voted.

PRESIDENT: Have you all voted? All right. The clerk will.. all right. Senator Luedtke asking for a Roll Call vote. Roll Call vote on the reconsideration of LB 256. This is shall the bill be reconsidered only.

CLERK: Roll Call vote taken. 26 ayes, 14 nays, 9 not voting.

PRESIDENT: Ok, then, the motion for reconsideration carried. Now, the motion is shall LB 256, then, be passed notwithstanding the objection of the Governor. Senator Luedtke.

SENATOR LUEDTKE: Mr. President, I would have nothing further to say except that I just ask that you consider the Committee system in this Legislature. That you consider what you asked the Judiciary Committee to do and whether or not you have any confidence in this Committee and the thousands of dollars and the hours and days and months and years that have gone into this study and to say, all right, now with one fell swoop of the pen, we will just wash it all down the drain and put Penal Correctional Reform off for years. That's what we are doing, members of the Legislature, if we do not pass this over the veto. It is unfortunate that we have to do it this way because of the manner in which the Constitution is written that we have to pass over the veto for the bill but that is the way the Attorney General has ruled, we must go. That's the only choice we have.

PRESIDENT: Is there any further discussion now of the motion? The question is shall LB 256, then, be passed notwithstanding the objection of the Governor. All those in favor vote aye. All those opposed vote no. The question is shall LB 256 be passed notwithstanding the objection of the Governor. I suppose I should remind the Senators that we are still under a Call of the House.

(End of Belt #19)

(Start of Belt #20)

Once again, the chair would inquire have you all voted? We are already under a Call of the House. The Clerk will record.

CLERK: 26 ayes, 16 nays.

PRESIDENT: The motion to reconsider..excuse me, the motion to pass the bill over the objection of the Governor failed. What other motions do we have on the desk?

CLERK: Mr. President, I move that we read LB 114 on Final Reading. Signed, Senator Carpenter.

PRESIDENT: The chair recognizes Senator Carpenter.

SENATOR CARPENTER: Mr. President, I hope that I got the attention of everybody here. This is the Homestead exemption bill. Mr. President, are you going to have order?

PRESIDENT: Senator Carpenter is asking for order.

SENATOR CARPENTER: Mr. President, if we don't pass this bill, it means that everybody on the Homestead exemption will be off from the roles. Everyone. The reason the bill was passed over is because it has a fiscal impact. I didn't know we had
